

BIOFISH HOLDING AS – Trading update Q1 2025

Ljones, 9 April 2025 Highlights from Q1 2025:

In Q1 2025, BioFish delivered approximately 323 tons post-smolt to its customers, compared to 523 tons for the full year 2024. The delivered volume for the quarter was in line with expected volumes.

For the remainder of 2025, BioFish expects to deliver approximately 700-800 tons of post-smolt, in line with previous guidance.

The full Q1 2025 report will be published on Thursday, 15 May 2025, at 07:30 CET.
