About Xplora Technologies AS:

Xplora Technologies is a Norway-founded, technology company creating smart devices, services and communication solutions for children, youth and seniors that keep families connected, safe, and balanced. The company's purpose is to build a safer and healthier digital life for all generations. As the pioneer of the kids' smartwatch category in Europe, Xplora Technologies today serves the full spectrum of family needs from early childhood to later life, through its two brands Xplora and Doro. The company positions itself as a family-first organization and a trusted advisor for parents and caregivers throughout the digital journey, delivering the right technology at the right time. Xplora Technologies is headquartered in Oslo, Norway with operations in leading European markets and North America. The company is listed on Euronext Growth under the ticker XPLRA.
