As of January 31, 2025, Xplora Technologies has 361k subscriptions, an increase of 101k from January 2024 (260k).

This month's subscription update reflects Xplora Technologies' existing business operations.

This month's highlight:

- 13k new subscriptions (gross)

Note: We expect our churn rate to be consistent with historic numbers. Subscriptions encompass connectivity plans (mobile subscriptions), premium services, B2B service revenues, and service fees for Xplora smartwatches without Xplora mobile subscriptions (Nordics). Xplora has seasonal changes, especially related to Back-to-school and the Festive Season. The net growth in the subscription base will therefore fluctuate throughout the year.
