

CYBER1 Security Operations Centre signs five-year deal for security services

Stockholm, Sweden – 4th of August, 2023 – Cyber Security 1 AB (publ) ("The Company") ("CYBER1") (Nasdaq First North: CYB1), an international leader in cyber security, announces that its Next-Gen Security Operations Centre (C1 SOC) has signed a five year deal, to deliver its monitoring and incident management services to a leading security company in Africa. C1 SOC will be providing Security Operations Center as a Service (SOCaaS), assisting the company with their network visibility and threat hunting capabilities on a twenty-four by seven basis.

"We are delighted to be entrusted with providing a continuous monitoring service over the next five years to one of our valued clients," said Simon Perry, CTO of CYBER1. "The length of the agreement reflects the trust and capabilities organisations place in our people and our offering. We have achieved many firsts with our Next-Gen SOC, from expanding into new territories and continents, to new industry verticals and now a long term services agreement. These achievements reflect our approach in providing the latest services for the benefit of our clients, in the pursuit of achieving resilience against the latest threats."

C1 SOC provides Security Operations Center as a Service (SOCaaS) on a global scale. For more information on how we can augment your security visibility, please contact one of our representatives on info@c1soc.com
