

Viva Wine Group included in MSCI index

The index provider MSCI is the world's leading provider of indexes. MSCI reviews its indexes every six months, and the most recent revision was made in May. Viva Wine Group is one of the companies selected to be included in the MSCI Global Micro Cap Index as of May 31, 2022.

The MSCI Global Micro Cap Index consists of over 6,000 companies from 23 stock markets in the world, of which the Consumer Discretionary segment accounts for approximately 12.3 percent.

“It is a mark of quality to be included in MSCI's index. Viva Wine Group was listed on First North Premier Growth Market in December 2021 and has already now been included in the MSCI Global Micro Cap Index. Viva Wine Group has a strong history of growth and stable profitability, and we are pleased that this work is acknowledged by being included in this global index.”, says Emil Sallnäs, CEO of Viva Wine Group.

About Us

Viva Wine Group is the leading wine group in the Nordic region, with a strong position in the European e-commerce market for wine. The Group consists of a collection of entrepreneurial companies with head office in Stockholm, developed through organic growth and strategic acquisitions. Viva Wine Group develops, markets, and sells both wholly owned and partner brands and offers affordable quality wines from all over the world to consumers in locations such as the Nordic countries, Germany, Switzerland, Austria, France, and the Netherlands. Sustainability is one of our foremost driving forces and we are a leader within certified ethical and organic wine.
