

Chordate Medical Receives Trademark Registration for Ozilia® in the United States

Chordate Medical Holding AB announces that the United States Patent and Trademark Office (USPTO) has decided to grant registration of Chordate's trademark OZILIA.

This marks the fifth national registration of OZILIA under the Madrid Protocol, meaning that the trademark is now registered in the U.S., Israel, Japan, China, and the United Kingdom. A corresponding application for registration in Brazil is currently under review. Since 2023, the trademark has also been registered in the European Union.

"The OZILIA trademark has been well received by the market, and protecting it through registrations is part of our IP strategy aimed at building long-term value in the company and making the business more attractive to potential buyers," says Anders Weilandt, CEO of Chordate Medical.
