

Qben Infra: Subsidiary awarded contract for NOK 27 million

Rail Production AS, part of Qben Rail, has been awarded the contract SPV-24139 for work on the Holmenkollbanen during the period of July/August 2025.

The contract, awarded by Sporveien, is valued at approximately 27 million NOK.

The work includes the replacement of 3000 sleepers and 10,000 meters of rail, track upgrades at Frognerseteren, rock securing at Gråkammen, and the complete renewal of two level crossings at Vettakollen and Skådalen.

The closing date for submission of complaints is April 11, 2025, and formal contractual signing can take place after this date at the earliest.

About Qben Infra

Qben Infra invests in and develops companies in infrastructure services in the Nordic region. The company operates in niches where the market is driven by strong growth trends, large government investments and where opportunities for consolidation and strong growth exist – for example, railways and power grids. The strategy includes driving organic growth, reinforced by selective acquisitions (M&A) and realisation of synergies. For more information, see qben.se.
