

ANDERS MURMAN APPOINTED ACTING CEO OF SCANDIDOS

ScandiDos AB announces that Gustaf Piehl is stepping down as Chief Executive Officer at his own request. The Board has appointed Anders Murman as Acting CEO, effective 6 May 2026. A process to recruit a permanent CEO will commence immediately.

Gustaf Piehl is leaving the company after six years, during which ScandiDos has undergone an important transformation, including a strengthened cost structure and an improved foundation for continued development.

"It has been a privilege to lead ScandiDos during a turbulent period, and I am proud of what we have achieved together. ScandiDos is now entering a new phase and is well positioned for the future," says Gustaf Piehl.

"We thank Gustaf for his contribution to the company's development and wish him every success in the future. Anders Murman's solid industry experience and strong knowledge of the company make him well-suited for the role, and we look forward to working with him in his new capacity," says Fredrik Ljungberg, Chair of the Board.

Anders Murman has extensive leadership experience in the medical technology industry and has been responsible for product management at ScandiDos since 2025.

ABOUT SCANDIDOS

ScandiDos is an innovative forward-thinking company with groundbreaking software and hardware solutions for patient quality assurance in modern radiation therapy. Our Delta4 Family of products delivers a comprehensive QA solution, making the treatment process safe and efficient. We reinforce the confidence in radiotherapy clinics by providing professionals at the clinics with power and performance through independent QA.

The head office is in Uppsala Science Park, where product development is carried out. Sales are carried out by sales offices in the USA, Malaysia, and France, directly in the Nordic countries and through distributors in over 50 countries.

ScandiDos is listed on NASDAQ First North Stockholm with the ticker code SDOS. Certified Adviser is Tapper Partners AB. Additional investor information can be found at Scandidos.com. Product information can be found on Delta4family.com

This information is information that ScandiDos is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out above, at 2026-05-06 14:00 CEST.
