Buybacks of Shares in Enea During the Period February 5 - 9, 2024

During the period February 5 - 9, 2024, Enea AB (publ) has repurchased in total 33,836 own shares (ISIN: SE0009697220) within the framework of the authorization from the Annual General Meeting 2023 to repurchase own shares. The purpose of the repurchase program is to enable the company to adapt its capital structure to its capital needs over time, thereby contributing to increased shareholder value. The intention is that the repurchased shares will be withdrawn by resolution at upcoming Annual General Meetings.

The repurchases are part of the share buyback program of up to SEK 25 million that was announced on February 1, 2024. The program, which runs during the period February 2 – April 24, 2024, is being carried out in accordance with the EU Market Abuse Regulation (MAR) and Commission Delegated Regulation 2016/1052 (the so-called Safe Harbour Regulation). The shares have been repurchased as follows:

Date	Aggregated daily volume (number of shares)	Weighted average share price per day (SEK)	Total daily transaction value (SEK)
02/05 /2024	6,036	56.8798	343,326.47
