

Healthcare System in Colorado, USA, purchases a QleanSpace cleanroom suite from QleanAir

QleanAir AB (publ), the premium provider of solutions for clean indoor air, announces an order for a new cleanroom with a total value of approximately USD 385,000. In addition, a service agreement for three years has also been signed. The new cleanroom is expected to complete in 2025.

QleanAir is dedicated to helping its customers protect people, products, and processes through cleanrooms that meet and exceed USP guidelines and maintain a compliant state of control.

To stay compliant with the new USP Compounding Compendium, the hospital selected QleanAir to design and construct a purpose driven cleanroom that provides a compliant environment for safely compounding sterile drugs.
