

REC SILICON - ANCHOR ANNONSERER AT DET IKKE VIL BLI NOEN YTTERLIGERE FORLENGELSE AV TILBUDSPERIODEN UTOVER 8. JULI OG INGEN ØKNING AV TILBUDSPRISEN

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, INTO OR WITHIN CANADA, AUSTRALIA, SOUTH KOREA, NEW ZEALAND, SOUTH AFRICA, JAPAN, HONG KONG, OR ANY OTHER JURISDICTION IN WHICH THE RELEASE, PUBLICATION OR DISTRIBUTION WOULD BE UNLAWFUL

Det vises til børsmelding publisert 23. mai 2025 vedrørende offentliggjøring av tilbudsdokumentet datert 22. mai ("**Tilbudsdokumentet**") og lanseringen av akseptperioden for det styreanbefalte frivillige kontanttilbudet ("**Tilbudet**") fra Anchor AS ("**Tilbyderen**") om å erverve samtlige utstedte og utestående aksjer ("**Aksjene**") i REC Silicon ASA ("**Selskapet**") til en tilbudspris på NOK 2,20 per aksje ("**Tilbudsprisen**"). Det vises videre til børsmelding publisert 24. juni 2025 vedrørende forlengelsen av akseptperioden for Tilbudet til 8. juli 2025 kl. 16:30 (CEST).

Oppsummering

- Selskapet har uttalt at det snart vil ha behov for ytterligere finansiering, enten fra Hanwha eller andre kapitalkilder, hvorav ingen alternativer hittil har blitt ferdigstilt eller garantert (børsmelding 23. juni 2025).
- Hanwha vil ikke yte ytterligere lån til Selskapet med mindre Tilbudet gjennomføres.
- Det vil ikke bli noen ytterligere forlengelse av tilbudsperioden utover 8. juli, og det vil ikke bli noen økning av Tilbudsprisen på NOK 2,20 per aksje.
- Mer informasjon om hvordan akseptskjemaer kan leveres finnes nedenfor.

Som kommunisert av Hanwha Corporation og Hanwha Solutions Corporation (samlet, "Hanwha") i brev til Selskapet datert 24. juni 2025, vil Hanwha ikke yte ytterligere lån til REC Silicon dersom det skjer endringer i sammensetningen av Selskapets styre som ikke støttes av Hanwha og Tilbudet ikke gjennomføres.

I en periode hvor Selskapet hadde behov for kontinuitet og stabilitet på styrenivå, beklager både Hanwha og Tilbyderen sterkt utfallet av den ordinære generalforsamlingen i Selskapet avholdt 25. juni 2025, hvor et styre ikke støttet av Hanwha ble valgt.

Som følge av dette vil Hanwha ikke yte ytterligere lån til Selskapet med mindre Tilbudet gjennomføres.

I lys av Selskapets finansielle situasjon og dets kommuniserte avhengighet av støtte fra Hanwha, er både Hanwha og Tilbyderen av den oppfatning at det er i både Selskapets og aksjonærenes interesse at utfallet av Tilbudet avklares så snart som mulig.

På denne bakgrunn har Tilbyderen besluttet at den ikke vil benytte sin rett etter punkt 1.4 i Tilbudsdokumentet til å forlenge den nåværende akseptperioden. Videre har Tilbyderen besluttet at Tilbudsprisen på NOK 2,20 per aksje er det beste og endelige tilbudet. Dette innebærer at Tilbudet under nåværende tilbudsperiode (som utløper 8. juli 2025 kl. 16:30 (CEST)) er det siste og endelige Tilbudet til aksjonærene i Selskapet.

Tilbudet kan kun aksepteres i henhold til Tilbudsdokumentet, og de fullstendige vilkårene for Tilbudet (bortsett fra de endringer som følger av separat kunngjøring) er inkludert i Tilbudsdokumentet.

Persons into whose possession this announcement or such other information should come are required to inform themselves about and to observe any such restrictions.

This announcement is for information purposes only and is not a tender offer document and, as such, is not intended to and does not constitute or form any part of an offer or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the Offer or otherwise. Investors may accept the Offer only on the basis of the information provided in the Offer Document. Offers will not be made directly or indirectly in any jurisdiction where either an offer or participation therein is prohibited by applicable law or where any tender offer document or registration or other requirements would apply in addition to those undertaken in Norway.

Shareholders of the Company must rely upon their own examination of the Offer Document. Each shareholder should study the Offer Document carefully in order to be able to make an informed and balanced assessment of the Offer and the information that is discussed and described therein. Shareholders should not construe the contents of this announcement as legal, tax or accounting advice, or as information necessarily applicable to each shareholder. Each shareholder should seek independent advice from its own financial and legal advisors prior to making a decision to accept the Offer.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or profit estimate and no statement in this announcement should be interpreted to mean that earnings or earnings per Share for the current or future financial years would necessarily match or exceed the historical published earnings or earning per Share.

Forward-looking statements

This announcement, oral statements made regarding the Offer, and other information published by the Offeror and/or the Company may contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which the group will operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward-looking statements contained in this announcement relate to the group's future prospects, developments and business strategies, the expected timing and scope of the Offer and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses, contract renewals and future prospects; (ii) business and management strategies and the expansion and growth of the Company's operations; and (iii) the effects of global economic and political conditions and governmental regulation on the Company's business. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include

changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors. Neither the Company nor the Offeror nor any member of their respective groups, nor any of their respective members, associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this document. All subsequent oral or written forward-looking statements attributable to any member of the Company group, the Offeror or any member of their respective group, or any of their respective members, associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

The Company, the Offeror and each member of their respective groups expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

The Offer is made to U.S. Holders pursuant to Section 14(e) and Regulation 14E under the U.S. Exchange Act as a "Tier II" tender offer, and otherwise in accordance with the requirements of Norwegian law. Accordingly, the Offer is subject to disclosure and other procedural requirements timetable, settlement procedures and timing of payments, that are different from those that would be applicable under U.S. domestic tender offer procedures and law.

Pursuant to an exemption from Rule 14e-5 under the U.S. Exchange Act, the Offeror and its affiliates or brokers (acting as agents for the Offeror or its affiliates, as applicable) may from time to time, and other than pursuant to the Offer, directly or indirectly, purchase or arrange to purchase, Shares or any securities that are convertible into, exchangeable for or exercisable for such Shares outside the United States during the period in which the Offer remains open for acceptance, so long as those acquisitions or arrangements comply with applicable Norwegian law and practice and the provisions of such exemption.
