Electrochemistry Enabling the Green Transition Conference

Ljungaverk, Sweden | June 18-20, 2024

Ljungaverk, Sweden - Permascand is proud to announce the first Electrochemistry Enabling the Green Transition Conference, to be held at Ljungaverks Folkets Hus FORUM (Folkets husvägen 1) and live-streamed via Permascand's YouTube channel from June 18 to 20, 2024. This unique event will bring together leading experts from academia and industry to share their knowledge and innovations in electrochemistry.

Conference Highlights:

June 18: LEAn & Electrowinning

The first day will focus on the LEAn Consortium and electrowinning.

June 19: Green Hydrogen & Grand Opening

Day two will delve into the Green Hydrogen sector and celebrate the grand opening of Permascand's Technology & Innovation Centre:

- **Insights from industry leaders.**
- **Grand Opening ceremony led by Permascand's CEO Peter Lundström**
- **Mingle and guided tours of the new Technology & Innovation Centre and selected manufacturing areas.**

June 20: Lithium, Power Transmission & Industrial Applications

The final day will feature discussions on lithium, power transmission, and industrial applications.

Event Details:

- **Location:** Ljungaverks Folkets Hus FORUM, Folkets husvägen 1, Ljungaverk, Sweden
- **Dates:** June 18-20, 2024
- **Registration:** Free, but seats are limited. Register now to secure your spot! The last day to register is June 9.
- **Contact:** For any questions regarding the event, please contact Permascand at event@permascand.com.

Join Us: Don't miss this unique opportunity to network with top experts in electrochemistry, share ideas, and learn about the latest advancements. Join us at the Electrochemistry Enabling the Green Transition Conference in Ljungaverk and be part of the green technology of our time.
