

## Bulten receives EcoVadis Platinum award for the second time

**For the second time, Bulten has received the Platinum award from EcoVadis, the world's largest independent provider of corporate sustainability assessments. Platinum is the highest rating in the EcoVadis ranking and places Bulten in the top 1% of all companies assessed.**

"The award is proof that Bulten continues to be a leader in sustainable development, and that it is well integrated into all our processes. EcoVadis raises the bar every year for its awards, which is an extra motivator for us. It is a source of great pride to see our development and the activities we undertake being recognized like this," says Marlene Dybeck, SVP HR & Sustainability at Bulten Group.

[EcoVadis](#) is one of the world's largest and most trusted providers of business sustainability ratings, with a global network of over 130,000 companies. Its approach is based on international sustainability standards, including the Global Reporting Initiative, the UN Global Compact, and ISO 26000. The EcoVadis assessment focuses on how well a company has integrated sustainability into its business strategy and management system. They look at how each company manages its impact on the environment, working conditions and human rights, ethics and sustainable procurement, and also how transparent their work is.
