Net Insight's chair Gunilla Fransson declines reelection

Gunilla Fransson declines reelection as board member and Chair of the Board in Net Insight AB. She will remain as chair until the next Annual General Meeting in May 2024.

Gunilla Fransson was elected to the board of Net Insight in 2008 and appointed chair of the board in 2018. As the chair of the board of Net Insight, Gunilla has played a central role in streamlining operations and promoting strategic growth. Under her leadership, the company's operations have been refined through the divestment of the business segments ScheduALL and Sye, and expanded with the development of a product for time synchronization in 5G networks.

The Nomination Committee has initiated a process to search for a successor to the chairmanship, to be proposed at the annual general meeting in 2024.
