

## PRESS RELEASE

16 February 2026 08:00:00 CET

### Cint Group appoints Jeremy Fletcher as interim CFO

Following the previously announced transition of Niels Boon, Jeremy Fletcher has been appointed interim CFO and will be a member of the Global Leadership Team. To ensure continuity, there will be a phased transition of responsibilities between departing CFO Niels Boon and Jeremy Fletcher over the coming period, to ensure a seamless handover of our financial operations.

Jeremy is a highly experienced senior finance leader and professional Interim-CFO. He has worked across a multitude of sectors and has extensive international experience. Jeremy will lead the Finance function in the coming months in our transition to new longer-term leadership.

"We are pleased to welcome Jeremy as interim CFO. His strong track record makes him well suited to lead the finance team during this transition period", says Patrick Comer, CEO.

The recruitment process for a permanent CFO is ongoing.

#### About Cint

Cint is a global leader in research and measurement technology connecting brands, researchers, academics, or anyone with a question, to a network of over 800 suppliers representing millions of engaged respondents in 130+ countries. The Cint Exchange empowers users to gather insights at scale to build business strategies, develop research-enabled solutions, publish credible research, and more. Lucid Measurement by Cint, our advanced set of media measurement solutions, gives advertisers, media owners, and agencies the tools to measure the effectiveness and brand lift of cross-channel advertising campaigns in real time to optimize media performance while campaigns are live. Both products leverage Cint's global network of suppliers including panel providers, mobile apps, loyalty programs, and other online communities. These companies use our audience monetization tools to monetize their communities by matching them to survey opportunities.

At Cint, we're feeding the world's curiosity.

Cint Group AB (publ), listed on Nasdaq Stockholm (STO: CINT), has a global workforce of over 700. Cint has offices in Stockholm, London, New York, New Orleans, Singapore, Gurgaon, and Sydney, among other locations.
