

## EverQuest's 30th expansion: Laurion's Song is now available

**EG7 today announce that Darkpaw Games, a Daybreak Games studio, has launched Laurion's Song, the 30th expansion to the highly acclaimed MMORPG, EverQuest.**

Realm of Heroes, the place where the greatest heroes go when their adventures are over. Nobody remembers the last time anyone entered or left this place. Discover what the mystery is that lies under the façade of comfort and revelry.

Laurion's Song brings new lands for players to discover such as the Ankexfen Keep, a formidable goblin stronghold hidden in the icy north of Norrath. The cold, snowy landscape contrasts with the fort's imposing presence. The entire structure and those that inhabit it exude intimidation and a dark sense of vitality.

Players can also experience alternate personas, swapping to another class while retaining their characteristics such as name, inventory, bank, crafting skills, and keying.

Laurion's Song expansion packages include: Family & Friends for \$249.99, Premium for \$139.99, Collector's for \$69.99, and Standard Edition for \$34.99.
