Trelleborg's acquisition in interior solutions for the aerospace industry finalized

Trelleborg Group has finalized the acquisition of Aero-Plastics Inc, a US company specializing in attractive, high-performance plastics and interior segments for the aerospace industry.

Aero-Plastics was founded 80 years ago and is based in Renton, Washington, USA. The company offers expertise in precision injection molding, thermoforming, and machining of high-performance polymer materials. Sales in 2024 amounted to approximately SEK 150 million.

The transaction was consolidated on April 10, 2025.

A press release on the acquisition was published on January 31, 2025.
