

Nutravet extends long-term agreement with Europe's largest veterinary group to supply premium supplement range, VetPro in the UK & Ireland until 2029.

Swedencare's subsidiary Nutravet has extended its contract with a global leader in veterinary care, to supply the Vetpro range in the UK & Ireland until 2029.

Vetpro is a premium quality, 100% natural healthcare range launched in 2017, designed to support the ongoing health and wellbeing of dogs and cats.

Since 2008, Nutravet has been a market leader for veterinary strength pet nutraceuticals and the extended contract with one of Europe's largest veterinary groups (with over 2000 practices) helps to ensure the continued development and growth of the Nutravet brand.

Commenting on the new agreement, Matthew Shaw, Managing Director of Nutravet said: "This is very exciting time for Nutravet, our team have been working in partnership with the group for many years and this agreement reflects our shared values for animal welfare".
