

## **Change in number of shares and votes in BONESUPPORT Holding AB (publ)**

**BONESUPPORT Holding AB (publ), a leading company in orthobiologics for the management of bone injuries, today announced a change in the number of shares and votes.**

As per March 31, 2022, the total number of shares in BONESUPPORT Holding AB (publ) amounts to 65,502,522, divided into 64,499,656 ordinary shares with one vote per share and 1,002,866 series C-shares with one-tenth of a vote per share, corresponding to a total of 64,599,942.6 votes.

The change in number of shares and votes is partly due to the exercise of warrants within the employee stock options program 2012/2022. The exercise of warrants increased the number of ordinary shares with 12,000 shares, corresponding to the same number of votes.

The change in number of shares and votes is also due to the conversion of 287,134 series C-shares, which previously have been issued and repurchased within the context of the company's incentive programs LTI 2018 and Board LTI 2018, into ordinary shares during the month of March. The number of ordinary shares has thus increased by 287,134 and the number of series C-shares has decreased by as many shares. Following the conversion, the number of votes has increased by 258,420.6.
