About the Company

Jumpgate AB is an independent group of game development companies founded in 2011, comprising four game studios: Nukklear (Hannover), Tivola Games (Hamburg), gameXcite (Hamburg) and Funatics (Düsseldorf). The group develops and publishes its own games as well as developing games and other digital products for external companies. The companies in the group have established collaborations with strong industry partners and exciting product portfolios with large potential. The group is engaged in the global market, distributing games on a worldwide basis and has a large international network. For more information: [www.](http://www.jumpgategames.se)
