

Flerie's portfolio company NorthX Biologics secures growth investment from Signet Healthcare Partners

Stockholm, Sweden, May 14, 2025. Flerie AB's (publ) portfolio company NorthX Biologics has announced that the company has secured a significant growth investment from New York based Signet Healthcare Partners.

The investment, which is carried out through a new share issue, will enable NorthX to accelerate its U.S. expansion plans, including facility enhancement, service line growth and commercial reach.

"This investment accelerates NorthX Biologics' expansion strategy, particularly in the U.S. market. Signet Healthcare Partners brings valuable expertise in scaling biopharmaceutical companies, and we're excited to partner with them to establish NorthX as a leading global biologics development and manufacturing organisation," says Mark Quick, Partner at Flerie.
