Ovzon receives renewal for delivery of SATCOM-as-a-Service to the Italian Fire and Rescue Services

Ovzon has received a renewal for delivery of the company's SATCOM-as-a-Service to the Italian Fire and Rescue Services. The 12-months order will be delivered throughout 2025. The order value amounts to 0.5 MUSD.

"We are honored by our customer's sustained trust in us to support their critical missions now for the third consecutive year. Our close collaboration has been instrumental in delivering unique satellite communications capability, and we look forward to continuing expanding this partnership", says Ovzon's CEO, Per Norén.

About Ovzon

Ovzon offers world-leading integrated mobile satellite communications services, SATCOM-as-a-Service, to customers globally. The services combine high throughput satellite networks, mobile satellite terminals, gateway services, and dedicated customer support. Ovzon's offerings meet the growing demand for mission critical connectivity for customers with high performance, mobility and resiliency requirements such as Defense, National security and Public safety. On July 5, 2024, commercial service commenced on Ovzon's proprietary developed geostationary satellite Ovzon 3. Ovzon has offices in Stockholm, Sweden as well as Herndon, VA and Tampa, FL in the USA. Ovzon is listed on Nasdaq Stockholm Small Cap. For more information, visit www.ovzon.com.
