About Hexicon

Hexicon is a world-leading project developer and technology provider in the emerging sector of offshore floating wind. As a project developer, Hexicon develops projects, partnering with regional experts. As a technology provider, Hexicon provides its patented floating wind design – TwinWind – which consists of one foundation with dual turbines. The innovative twin turbine design enables more turbines per sea area, which increases the energy yield and reduces the environmental impact. The company operates in several markets across Europe, Africa, Asia and North America. Hexicon is listed on Nasdaq First North Premier Growth Market (ticker HEXI). Certified Adviser is FNCA Sweden AB, info@fnca.se, +46 (0) 8528 00 399.
