

## REBELLE founder Cécile Wickmann to speak on High-Tech Gründerfonds' Family Day

**Hamburg, June 14th: On June 15th Cécile Wickmann will give a keynote about REBELLE's sustainable business model and their first green IPO in the global Nasdaq system at the High-Tech Gründerfonds' biggest networking event.**

Wickmann will be joined by other high class speakers like Roland Sackers (CEO Qiagen), Adam Kostyál (Senior Vice President of the Global Listing Services and Head of European Listings for Nasdaq) or Philip Rösler (Honorary Consul for Vietnam in Switzerland).

Dr. Robert Habeck, Federal Minister for Economic Affairs and Climate Action will open the Family Day digitally.

Participants of the event will be fund investors, managers of the entire HTGF start-up portfolio and many more members of the international venture capital ecosystem and other partners out of the strong HTGF network. Further a selection of start-ups from the whole HTGF portfolio will present their innovative solutions and products live on stage.

**About Rebelle**

Rebelle operates the European online marketplace Rebelle.com for selling and buying luxury second hand fashion items and accessories. Rebelle takes control of the entire sales process, thereby physically verifying the authenticity and quality of products sold to consumers and assuming all payment processes and the shipments to buyers. Based on this capital-light "managed marketplace" model, Rebelle aims to deliver a superior selling and buying experience to its customers. Rebelle is offering products from the world's most sought after fashion brands, such as Louis Vuitton, Chanel, Gucci, Hermès and Prada while increasing customers awareness of sustainability and circularity within the fashion industry. Rebelle offers more than 200,000 products to, and listed by, customers throughout Europe with focus on the EU.
