

Moody's Confirms Atrium Ljungberg's Baa2 Rating with Stable Outlook

Moody's has once again affirmed Atrium Ljungberg's Baa2 rating with a stable outlook, in line with its assessment from September 2025.

The rating reflects the high quality of Atrium Ljungberg's property and project portfolio, a broad and resilient customer base, a strong balance sheet, and a solid financial position. Atrium Ljungberg strives to maintain a well-diversified financing structure in terms of both funding sources and maturities, making the credit rating particularly important to the company.
