

PRESS RELEASE
28 OCTOBER 2024 11:15:00 CET

The Flat team is testing live streaming and talks about the Q3 report, the upcoming rights issue and answers your questions!

Welcome to tune in and ask questions to a live-stream where 100% of Flat's operational team (i.e. CEO Hanna and CFO Antonio) in their own words talk about the Q3 report, a little more about the upcoming rights issue and answer your questions!

Time: October 29, at 12.00 CET (i.e. tomorrow!)

Link to stream: <https://www.youtube.com/live/66QI6956wVc?si=Ahc05OBXNnBuQmDp>

Feel free to send us questions in advance to hw@flatcapital.com

We look forward to “seeing” you there!

Hanna & Antonio

PS: If you join us, we promise an extra slice of pizza when you come to our AW planned for November 13th as well :) - sign up here: <https://forms.gle/u88WEpwXhiorTSr1A>

About Flat Capital:

Flat Capital is an investment company that focuses on growth stage companies with prominent entrepreneurs in leading positions and primarily makes investments through its network of world-class investors and entrepreneurs. The company was founded in 2013 by entrepreneurs Nina and Sebastian Siemiatkowski (founders and CEOs of Milkywire and Klarna, respectively) and is led by CEO Hanna Andreen together with an experienced board of directors. Examples of portfolio companies include Klarna, OpenAI, Instabee, Figma and Perplexity. The company aims to provide long-term capital and is essentially a passive minority shareholder, while Flat Capital's experience and network are available to the extent the entrepreneur wishes. The aim is to facilitate successful company building and enable exposure to otherwise hard-to-reach and promising companies. More information is available at www.flatcapital.com
