

Obducat receives an order for an EITRE® 3 NIL-system valued at 1.8 MSEK from a Japanese customer

OB Ducat AB (publ) subsidiary Obducat Technologies AB, a leading supplier of lithography solutions based on nanoimprint lithography (NIL), has received an order from a Japanese customer for the supply of an EITRE 3 NIL-system. The order value amounts to approx. 1.8 million SEK.

The customer is a global industrial player and a leading manufacturer of high-performance materials. They will use the EITRE 3 system to develop and define the manufacturing process for a new product. Upon completion of the manufacturing process, it is the customer's plan to install NIL-based mass production equipment.

The EITRE 3 system is planned to be delivered during the second quarter, 2025. Due to confidentiality requirements further information cannot be disclosed at this point.

This information is information that Obducat is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out above, at 2025-02-26 08:30 CET.
