

# Ekobot invites to a field demonstration of their latest robot system, WEAI, an autonomous and highly efficient weed remover

## **Ekobot invites to a field demonstration of their latest robot system, WEAI, an autonomous and highly efficient weed remover**

Together with the customer Stockholmsgården AB, the robot system WEAI will be demonstrated in action on their farm located at Rännegatan 78, 271 78 Löderup on May 16th between 10:00 and 15:00. <https://stockholmsgarden.se/Stockholmsgarden/Start.html>

Ekobot is proud to welcome all interested parties to witness WEAI in the field. Light refreshments will be offered on site.

Please confirm your attendance by registering via <https://www.ekobot.se/#demos>.

Warmly welcome to Ekobot and Stockholmsgården!

## **About Ekobot**

---

Ekobot AB (publ), based in Västerås, conducts business based on the business concept of developing, manufacturing and selling autonomous agricultural robots that enable efficient precision cultivation where weed management takes place completely without or with minimal use of herbicides. The company's vision is to provide the agricultural sector with a long-term sustainable alternative for reducing or completely eliminating chemical spraying in crops of crops for human consumption. The company is listed on the Nasdaq First North Growth Market.

For more information, see Ekobot's website [www.ekobot.se](http://www.ekobot.se)

Augment Partners AB, tel. +46 8 604 22 55, e-mail: [info@augment.se](mailto:info@augment.se) is the Company's Certified Adviser.
