About us

SenzaGen is a corporate group on its way to becoming a leading player in non-animal testing, driving the shift from animal experiments to methods that more accurately reflect human biology. Leveraging cutting-edge technology, the company offers high-performance non-animal test methods and expert advisory services. These methods are more effective, precise, and cost-efficient than traditional animal-based approaches and contribute to a substantial reduction in the number of laboratory animals used worldwide. SenzaGen's growth strategy focuses on strengthening its position in both established and new markets through direct sales, complementary partnerships, an expanded test portfolio, and recognized thought leadership. The company also maintains a long-term acquisition agenda to accelerate commercial potential. SenzaGen has its headquarters and GLP-certified laboratory in Lund, Sweden, along with subsidiaries in Italy and the USA. For more information, visit www.senzagen.com.

SenzaGen is listed on Nasdaq Stockholm First North (ticker: SENZA). FNCA Sweden AB is the company's Certified Adviser.
