Koskisen is a more than a century old international wood processing expert known for its agility and ability to listen to the customer. We utilise our valuable wood raw material as thoroughly as possible, down to the last particle of sawdust. At the same time, we are bringing the best carbon narrative to life: We manufacture high-quality and sustainable products that store carbon for decades. The Group's revenue in 2021 was EUR 311 million. Read more: koskisen.fi/en
