Bulletin from the 2023 Annual General Meeting of Spago Nanomedical AB

The Annual General Meeting (AGM) of Spago Nanomedical AB (publ) was held today, May 10, 2023. At the AGM, changes were resolved in the company's board for increased commercial focus, including the election of Hans Arwidsson as new chairman of the board and Alan Raffensperger as a new board member.

The following resolutions were also passed at the AGM:

Disposition of results and discharge from liability

In accordance with the board's proposal, no dividend will be paid and KSEK 18,099 are carried forward.

The income statement and balance sheet for 2022 were approved and the board members and the CEO were discharged from liability for the financial year 2022.

Election of board and board fees

The board shall consist of four ordinary members and no deputies. The board members Kari Grønås och Nicklas Westerholm were re-elected and Hans Arwidsson and Alan Raffensperger were elected as new directors of the board for the period until the end of the next AGM. Hans Arwidsson was elected as chairman of the board of directors.

Board fees for the period until the end of the next AGM shall be SEK 300,000 (SEK 200,000) to the chairman of the board and SEK 150,000 (SEK 95,000) to each of the other board members.

Election of auditor and auditor fee

In accordance with the Nomination Committee's proposal, BDO Mälardalen AB was re-elected as auditor for the period until the end of the AGM in 2024. Authorized Public Accountant Jörgen Lövgren will be primarily responsible for the audit. Fees to the auditor shall be paid in accordance with approved invoices.

Authorisation for the Board to resolve to issue new shares and/or warrants

For the period until the next AGM, the board was authorised to, on one or more occasions, resolve to issue new shares and/or warrants by cash payment, by contribution in kind or payment by way of set-off. By resolutions based on the authorization, issues of shares and/or warrants without deviation from the shareholders' preferential rights may be up to, in total, as many shares as fall within the limits of the Articles of Association at the time of exercise of the authorisation. By resolutions based on the authorisation, with deviation from the shareholders' preferential rights may be up to, in total, the number of shares corresponding to twenty (20) percent of the total number of outstanding shares in the company at the time of exercise of the authorisation the first time.

Resolution on amendment of the Articles of Association and reduction of the share capital

The AGM resolved, in accordance with the board's proposal, to amend the limits for the number of shares and the share capital in the Articles of Association (§ 4 and § 5). The AGM resolved further, in accordance with the board's proposal, to reduce the company's share capital by SEK 81,849,350.70 for allocation to unrestricted shareholders' equity. The reduction shall be made without redemption of shares, whereby the quota value is changed from SEK 1.00 to SEK 0.10. The reduction may not be implemented until permission has been obtained from the Swedish Companies Registration Office, or in disputed cases, from the district court.
