

HydrogenPro ASA: Ex date for potential subsequent offering

22 June 2026: Reference is made to the stock exchange announcement by HydrogenPro ASA (the "Company") earlier today regarding a private placement of new shares at a subscription price of NOK 0.50 per share, raising gross proceeds of approx. NOK 15 million (the "Private Placement"), and a potential subsequent share offering of up to 12,762,444 new shares at NOK 0.50 per share (the "Subsequent Offering").

The shares in the Company will from today, 22 June 2026, be traded exclusive of the right to participate in the potential Subsequent Offering.

The following information is provided in accordance with Continuing Obligations:

Issuer name: HydrogenPro ASA

Ex. date: 22 June 2026

Type of corporate action: Subsequent Offering

Other information: The potential Subsequent Offering is subject to certain conditions, including completion of the Private Placement and the resolution of the Company's board of directors to issue new shares in the Subsequent Offering.

About HydrogenPro:

HydrogenPro, established in 2013, specializes in pioneering green hydrogen technology solutions through partnerships with global collaborators and suppliers. Our flagship products are high-pressure alkaline electrolyzers, incorporating some of the most advanced technology available. As an OEM, we provide high-pressure alkaline electrolyzers and supply large-scale green hydrogen plants, all certified to ISO 9001, ISO 45001, and ISO 14001 standards. Our experienced engineering team consists of leading industry experts, drawing upon unparalleled knowledge and expertise in the hydrogen and renewable energy sectors.
