

Report on Review of Interim Financial Information prepared in accordance with 34 and chapter 9 Annual Account Act (1995:1554)

Biovica International AB (publ)

Introduction

We have reviewed the accompanying condensed financial information (interim report) of Biovica International AB (publ) with subsidiaries as of October 31, 2025 for the six-month period ending this date. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with IAS 34 and the Annual Accounts Act. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information does not present fairly, in all material respects, the financial position of the entity, for the group in accordance with IAS 34 and the Annual Accounts Act, and for the parent company in accordance with the Annual Accounts Act.
