HACKSAW GAMING ADDS JINX GAMING AS NEW PARTNER STUDIO TO THE OPENRGS PLATFORM

Hacksaw Gaming has entered a new partnership with Jinx Gaming. Through the partnership, Jinx Gaming will launch titles on Hacksaw's proprietary OpenRGS platform, with the first title being live as per today.

Jinx Gaming is the seventh studio to join Hacksaw's OpenRGS platform.

Reu Wilde, Founder of Jinx Gaming, comments:

"The entire Jinx team couldn't imagine a better partner for our games than Hacksaw. The OpenRGS platform aligns perfectly with our vision to create truly innovative games and thrilling experiences for players."

Marcus Cordes, Operational CEO of Hacksaw Gaming, comments:

"We're delighted to welcome Jinx Gaming as a new OpenRGS partner. This partnership is a testament to our strategy of continuing to roll out our platform to successful partner studios. Launching the title Dead Headz is an exciting first step, and we're looking forward to bringing their distinctive experiences to players around the world."
