## About CombiGene

CombiGene's vision is to provide patients affected by severe diseases with the prospect of a better life through gene therapy and other forms of advanced treatments.

Our business has three focus areas: sourcing of new and promising assets, development of these assets to proof of concept under our management and expertise, and outlicensing of the assets to a strategic partner for continued development and commercialization. Revenue is achieved through milestone payments and royalties.

The company is public and listed on the Swedish marketplace Nasdaq First North Growth Market and the company's Certified Adviser is FNCA Sweden AB.
