## Energy Save - Increased confidence in Aira partnership

Redeye updates its estimates and fair value range following Energy Save's Q3 2023/2024 report. Last week, we had the opportunity to visit Energy Save at its headquarters, which gave us additional market insights and key focus areas for Energy Save. While the European market is still challenging in the near term, we still expect Energy Save to generate sequential growth going forward – primarily thanks to its partnership with Aira – a partnership we consider a result of Energy Save's business model.
