About ReFuels

ReFuels is decarbonizing Europe's truck fleet by developing, owning, and operating green station infrastructure. We are rolling out a network of reliable and convenient stations offering renewable biomethane fuels to heavy goods vehicles, with hydrogen and electricity to be added. By end-2026 the target is to have 30-40 stations across the UK, while the long-term ambition is to become Europe's leading integrated supplier of alternative fuels for commercial fleets.
