HACKSAW GAMING ANNOUNCES NEW PARTNERSHIP WITH RETABET IN SPAIN AND PERU

Hacksaw Gaming announces a new partnership with RETABET, bringing more of its innovative slot titles to players across the Spanish and Peruvian markets.

RETABET is a prominent Spanish sports betting and online gaming operator with a strong retail and digital footprint. Since opening its first betting shop in the Basque Country in 2008, the company has expanded nationwide, building an extensive network of retail locations alongside its Retabet.es online platform.

Operating under Spain's locally licensed framework, RETABET is recognised for its commitment to responsible gambling, compliance and player protection. RETABET has also established a strong presence in Peru through its online operation at [Retabet.pe](https://retabet.pe) and multiple shops.

Alvaro Gonzalez, CMO of RETABET Group:

"The agreement reached with Hacksaw is a significant step in our casino game offering strategy, always based on a commitment to providing our players with a high-quality experience. Being able to offer innovative and engaging entertainment, such as the content Hacksaw currently provides, perfectly aligns with our business vision. We are confident that this will be a long-lasting and successful collaboration."

Marcus Cordes, Operational CEO of Hacksaw Gaming:

"RETABET has built a strong reputation in the Spanish and Peruvian markets through a premium, player-focused offering, and we're delighted to partner with such an established operator. This agreement further strengthens our footprint in two highly competitive, locally licensed markets."
