## 4C Strategies secures five-year Exonaut contract with an organization within the U.S. Department of War (DoW) worth SEK 23.9 million

4C Group AB (publ) ("4C") announces that, through its subsidiary 4C International AB, it has received an order from an organization within the U.S. Department of War (DoW) regarding the Exonaut software suite. The order includes the Planning and Evaluation Module, as well as related implementation, supporting the customer's planning processes and evaluation of new capabilities. The order value amounts to USD 2.6 million (corresponding to approximately SEK 23.9 million) over a five-year framework agreement period.

Delivery is planned to commence during the first quarter of 2026, starting in January.

"This order expands the deployment of Exonaut within the DoW and strengthens our continued ability to deliver to both central organizations and subordinate units, where we see significant further potential," says Jonas Jonsson, CEO of 4C Group AB.
