Launch of the game Sparklite on mobile devices

Fragbite Group AB's subsidiary Playdigious SAS has today launched the game Sparklite on mobile devices.

Playdigious places traditional PC games on primarily mobile platforms, where well-known PC games such as e.g. Dead Cells, Northgard and Evoland has been launched for mobile players.

Sparklite was initially developed for PC and Console by the game studio Red Blue Games in November 2019 and Playdigious has now developed the mobile versions of the same game.
