

B2 Impact ASA strengthens its position in Norway and Nordics

Oslo, 23 March 2026 - B2 Impact has acquired a portfolio of non-performing loans from DNB, further expanding its presence in the Norwegian market.

Following the acquisition of Zolva's collection platform in Norway in late 2024, B2 Impact has focused its Norwegian business towards the banking and finance sector. The transaction with DNB marks the continued growth and development of B2 Impact's operation in Norway.

The transaction comprises around 14,000 accounts with an open balance of NOK 900 million and follows B2 Impact's acquisition of a non-performing loan portfolio from DNB in Sweden in the fourth quarter of last year. These transactions with DNB confirm B2 Impact as a leading player in the Nordic market.

"We have a longstanding client relationship with DNB, and these recent portfolio purchases represent a further expansion of our commercial activities with one of the leading banks in the Nordics. As a listed company based in Norway, we are very pleased to see growth and increased market share in our home market" says Trond Kristian Andreassen, CEO of B2 Impact ASA.
