STAR TREK: VOYAGER – ACROSS THE UNKNOWN FEATURES THE ORIGINAL MAIN THEME MUSIC AND LOGS WITH THE VOICE OVERS OF CHARACTERS TUVOK AND TOM PARIS

***Star Trek: Voyager – Across the Unknown* features the original main theme music and fully voiced logs by Tuvok and Tom Paris at the beginning of each sector. These logs recap recent events and set the stage for the mission ahead, helping ground each mission in the ongoing journey of the Voyager crew.**

"It was important to us to bring back the original actors, Tim Russ and Robert Duncan McNeill, and to work directly with them in a way that felt authentic and true to these iconic characters. Even though this day and age brings interesting new techniques, focusing on performances recorded by the actors themselves allowed us to create something personal and meaningful within the scope of the project", says Harald Riegler, CEO Jumpgate.
