

Hexatronic - Sequential Improvement – Further Market Rebound in Late 2024

Redeye raises its forecasts and Base Case following Hexatronic's Q2 report, showing a solid sequential increase in sales, gross, and EBITA margins. While more and more points towards a market rebound in late 2024, we do not expect an as strong market as in late 2021 to mid-2023 – partly as interest rates remains rather high.
