

Upsales Technology AB (publ) delays publication of Annual Report for financial year 2025

The publication of the Annual Report for the financial year 2025 is delayed from the previously communicated date of 1 April 2026 due to administrative reasons. The Annual Report is expected to be published on 21 April 2026.

As a consequence, the Annual General Meeting will also be postponed. The Annual General Meeting is expected to be held in mid-May 2026. Upsales will revert with a formal notice and updated date in due course.

About Upsales

Upsales is a Stockholm-based software company on a mission to build the leading AI platform for B2B revenue growth. With best-in-class data and proprietary AI agents, Upsales helps companies accelerate profitable growth. In the last two decades, the company has built a track record of organic, profitable growth. Upsales is a net cash company with zero debt, strong cash flows, and has been paying annual dividends since 2022. Its scalable business model is powered by over 90% recurring subscription revenue. Upsales serves customers in 10 countries, with the majority of its customer base in Sweden. The company is 44% founder- and management-owned, with institutional shareholders including Danske Invest, Nordea Funds, TIN Fonder, SEB Funds, Herald Investment Management, and Schroders.

Upsales Technology AB (publ) is a public company listed on the Nasdaq First North Growth Market. The Company's Certified Adviser is DNB Carnegie Investment Bank AB (publ).
