W5 Solutions Signs SEK 78.8 Million Shelter Framework Agreement with Existing European Industrial Customer

W5 Solutions' Business Area Integration has entered into a framework agreement with an existing European industrial customer for customised shelters designed for testing purposes in demanding climate conditions. The framework agreement has a total value of SEK 78.8 million with deliveries scheduled between 2027–2029. An initial call-off order amounting to SEK 25.7 million has been placed for deliveries in 2027.

Business area Integration has previously delivered similar solutions. The framework agreement further strengthens W5 Solutions' position in both defence and industrial applications and demonstrates ongoing demand for customised shelter solutions.

> "This framework agreement reflects the customer's continued confidence in W5 Solutions and our ability to deliver customised and technically advanced shelter solutions. We look forward to continuing our cooperation and building on our established customer relationship", says Gunilla Stomberg, Head of Business Area Integration at W5 Solutions.
