ProstaLund receives order of SEK 2.4 million

ProstaLund and Capio Specialistcenter AB have signed a new agreement regarding disposables for CoreTherm® treatments.

ProstaLund and Capio Specialistcenter AB have today signed a new agreement regarding disposables used in CoreTherm® treatments. The agreement extends over twelve months, with an option for an extension. The order value is approximately SEK 2.4 million during the contract period.

The agreement replaces the previous agreement with Capio Urologi Solna.

"The fact that Capio now, after just over a year, wants to scale up its CoreTherm® business shows that what we promised about the method at the sale has been fulfilled. I am delighted with Capio in their success and expansion ", says CEO Johan Wennerholm in a comment.
