## K33 Completes Strategic Purchase of 15 Bitcoin

**K33 AB (publ) ("K33"), a leading digital asset brokerage and research firm, announces the acquisition of 15 Bitcoin (BTC) for a total consideration of approximately SEK 16.0 million.**

Following today's transaction, K33 holds a total of 141 BTC on its balance sheet, with an average acquisition cost of SEK 1,114,859 per BTC.

K33's Bitcoin Treasury strategy reflects both the company's conviction in Bitcoin's long-term value proposition and its intention to establish a strong position in the asset to unlock operational alpha in its broker business.
