

## QleanAir wins tender of a frame agreement with PostNord for air cleaners in premises for logistics

**QleanAir Holding AB (publ), the premium provider of indoor air cleaning solutions, wins tender of a frame agreement with PostNord for air cleaners in premises for logistics. The frame agreement is for three years (2020-09-15—2023-07-15) with yearly option for renewal additional five years, i.e. a total eight years.**

For more than 25 years, QleanAir has developed innovative air cleaning solutions for healthy indoor environments for businesses. With its unique specialist competence, high-quality products, market-leading service and lifetime functional guarantee, we can offer efficient and customized solutions that protect people, products and processes.

*"We are delighted to strengthen our co-operation with QleanAir. They meet our very high requirements on air cleaning solutions in a cost-efficient way,"* comments Daniel Winblad von Walter, Manager Sourcing, PostNord.

*"We are very pleased to see that PostNord continues to invest in its employees' health and well-being. To have a clean and healthy work environment is more relevant than ever, and we look forward to continuing our fruitful co-operation with PostNord in the years to come,"* comments Fredrik Aminoff, VP Sales Europe QleanAir.

PostNord is the leading supplier of communication and logistics solutions to, from and within the Nordic region. They ensure postal service to households and businesses in Sweden and Denmark. With PostNord's expertise and a strong distribution network, they develop tomorrow's communication, e-commerce, distribution and logistics in the Nordic region. In 2019 the group had approximately 29,000 employees and sales of SEK 38.3 billion. The group was founded as a result of the historic merger of Posten AB and Post Danmark A/S. The Parent Company is a Swedish public limited company with Group headquarters in Solna, Sweden.
