### **About Svedbergs Group**

Svedbergs Group invests long-term in Europe's strongest independent company that designs, manufactures and markets sustainable products and services for bathrooms. We grow through organic growth and acquisitions that complement and strengthen our group through new products in bathroom furniture and shower solutions, geographical spread and new knowledge in marketing, innovation and sustainability. We create value by maintaining the companies' entrepreneurial drive and commitment, as well as by selectively finding synergies within, for example, purchasing. We call this cooperation without confusion.
