

## Region Örebro län extends its agreement with Ortivus AB

**In 2016, Ortivus was awarded a contract for the delivery of MobiMed ePR to Region Örebro läns ambulance service. The region has now decided to extend the agreement for another five years to an order value of 2 MSEK.**

Ortivus AB has been delivering solutions to Region Örebro län for a long time. The contract signed in 2017 covering MobiMed ePR, IT support for prehospital records, was valid for a period of five years with the possibility of extension for another five years. In addition to this agreement, the region also uses MobiMed Monitor.

*"We are very happy that Region Örebro län has chosen to extend our agreement for another five years as it indicates good relations and customer satisfaction" - Says Elias Obaid, Sales Manager, Ortivus*

## About Ortivus

---

Ortivus develops and commercialises MobiMed, medical technology solutions for a safer and more efficient healthcare. The company was founded in 1985 and is today a leading provider of mobile digital solutions for prehospital care, worldwide. Ortivus' products are based on in-depth expertise in cardiology as well as decades of development together with users and customers. The company's headquarters are located in Danderyd, Stockholm and the company has, since 1998, a wholly-owned subsidiary based in the United Kingdom.

MobiMed is a modular platform that currently is used by over 12 000 paramedics in over 2 700 emergency vehicles. The platform consists of a monitor that in real-time measures, monitors and shares patients' vital parameters, such as, ECG, blood pressure and blood oxygenation. The system also consists of an electronic patient record for decision support, collection of patient data and clinical documentation.

MobiMed has a total weight of 2.5kg and is created to function in a demanding environment and out in the field. The two-way communication supports telemedicine consulting with clinical experts while patient data is seamlessly integrated into the medical records at the hospitals and primary care centers. MobiMed saves time and helps healthcare professionals make the right decisions in critical situations. MobiMed also contributes to improved quality of care and saved resources.

Ortivus Class A and Class B shares are listed on the NASDAQ Stockholm Small Cap list.
